Join us for a *DayLab* (or two...) and immerse yourself in a professional environment geared to addressing training, artistic exploration, and career development.

Saturday, February 23

Sunday, March 24

DayLabs offer a holistic *Dance360* experience and provide a connection to the company. Each *DayLab* includes a movement-oriented ballet class, a second technique class, DWC repertoire, and tell-it-like-it-is seminar.

DayLabs are designed for dancers age 15+ ... no audition required.

DayLabs can be used as an **audition** for **DanceForce** and **ChoreoLab**
